

ABOUT US

The Merciful H.E.L.P. Center has a long history of assisting the people of Hamilton County with the basic necessities of life. A social enterprise of Our Lady of Mount Carmel, the H.E.L.P. center has grown to 18 ministries- providing a wide range of services to families in their time of need. Their food pantry alone serves over 3,500 families per year.

Holy Trinity Youth outreach ministries participates in a number of services, including a monthly soup kitchen. Many of the children will also attend character building summer camps and winter retreats. Donations will allow the kids to continue their current projects and pursue additional opportunities in the future.

Your support will allow each of these great causes to continue to expand their reach in our community. Thank You.
